# Numerical Analysis homework # ?

ShaozhenCao 22235xxx [*]

*(Give your major and class here), Zhejiang University*

Due time: September 13, 2024

**Abstract**

The abstract is not necessary for the theoretical homework, but for the programming project, you are encouraged to write one.

## I. Briefly repeat the problem

### I-a

Give your answers here....[1]

### I-b

## II. Briefly repeat the problem

Give your answers here.

**Acknowledgement**

Give your acknowledgements here(if any).
